

Book Reviews For “Wisdom Rising” & “You Are What You Love”.

Vaishali is not only an inspiration for love in her new book *Wisdom Rising*, she is a mentor for living with joy and grace. This is a missive not to be missed.

-Sydney L. Murray, Publisher, Vision Magazine

In *Wisdom Rising*, author Vaishali offers readers wisdom through her witty down to Earth awareness of the world around us. Smart, funny and downright sensible, this book is a great read for those wishing to improve or learn more about the importance of life and how we choose to be in it. This out of the box author puts life's lessons out there for the reader to learn by weaving in her own personal experiences. **-Midwest Book Review**

Wisdom Rising is a lightning rod of laser clear insight and Vaishali is a prolific phoenix, rising from the ashes of past pain to provide great gems of wit and wisdom. She is a master teacher for our times.” **-Awareness Magazine.**

In *Wisdom Rising*, Vaishali shares deeply into some of the sources she relied on to pull her through her crises. Of the scores of self-help books I've read and reviewed, I found this one particularly easy to read, with short chapters replete with humor and insight **-Light Connection Magazine**

Vaishali's new book, *Wisdom Rising* is a delightful, sweet, and satisfying collection of brilliant articles and short stories, that like gem quality jewels, are a thing of beauty, and a joy to behold.- **Authors Roost Magazine**

Simply put, Vaishali is brilliant. *Wisdom Rising* combines spiritual depth with laugh out loud clarity.-**Dannion Brinkley, NY Times bestselling author of “Saved by the Light”**

You Are What You Love will inspire you to endure, reclaim and celebrate your true divine nature **-Yoga Magazine**

Vaishali's compassion and understanding as a wisdom teacher is a force to be reckoned with. **-Vera Ramone King (Wife of Dee Dee Ramone)**

In *Wisdom Rising*, Vaishali writes with intelligence and wit making her content easy to absorb and apply. **-Paige Lovitt, Reader Views Magazine**

Vaishali does it again. From the depths of your soul to the tip of your Godhead, *Wisdom Rising* takes you on a loving, humorous and provocative ride through many levels of awareness on the path to wisdom. This book is perfect for the times we live in. You will be thrilled, amazed and emotionally moved. **-Mellen-Thomas Benedict, Author of “Journey Through the Light and Back” and “Hitchhiker's Guide to the Other Side”**

The Beatles would have been better off with the Vaishali instead of the Maharishi!

~Hal Siemer, Author and publisher of Quest Magazine.

I value how you live and who you are in the world. **-Dr. Jill Bolte Taylor, NY Times Bestselling Author.**

You Are What You Love has a lot of useful information and it is well worth the read- **Reader Views**

In *You Are What You Love*, Vaishali shows you how to reach that feeling of enlightenment, neutrality, and sense of unification that all the great Masters of spirituality have posed. -Crystal Reviews

You Are What Love is surprisingly funny, as it is practical.- **In Light Times**

(In *You Are What You Love*) Vaishali illuminates spiritual laws in a context that makes sense.-**Vision Magazine**

What People Are Saying About Vaishali's Self-Emergence Sessions

My reading with Vaishali allowed me for the first time in a long time to feel truly free again. I say free, because before I spoke with her I had an inner heaviness/sadness that I had carried for nearly seven years. After the reading, so many things were clearer to me and it seemed that the heaviness became automatically much lighter, almost non-existent. Vaishali's reading helped soothe and heal me and I can only thank her from the bottom of my heart. She helped me turn my heart light back on. I really don't know how else to describe it. -**Tiffany M.**

I do not remember having ever experienced someone with so much clarity and compassion about the laws of nature. My session with Vaishali was a beautiful wake up call. Vaishali is more than a beacon of light. She is a teacher and a bolt of lightning waiting to strike with a loving touch. I can't recommend her enough! ~**Phyllis King, The Common Sense Psychic, syndicated Radio Show Host**
